MANAGING WASTE AT EVENTS

Vermont law requires that producers/hosts of large and small events must make sure that event staff, volunteers, attendees, and vendors understand and adhere to recycling and waste management requirements.

Typical materials generated at events are listed below. For more information about recycling how-to see our A-Z guide available at <http://townofwhitingham-vt.org/sites/default/files/A-Z%20Disposal%20and%20Recycling%20Options.pdf>

Accepted Recyclable Materials

Please NO food in Recycle Bins – EMPTY Containers ONLY

Paper

White & Colored
Newspapers
Magazines
Softcover books
Mail
Paper bags
Wrapping paper

Glass Containers

All glass bottles & jars

Metal

Cans
Aluminum trays & foil (& lids)
Aerosol cans (empty)

Cardboard
