Lottery tree raffle tickets are also available.

## **Municipal Center Use**

As you may be aware the dining hall and kitchen are available for residents to rent. We recently had some scheduling conflicts that could have been avoided if the users reserved the use of the hall through the Town Clerk. It is the Clerk's job to handle scheduling of the building and to resolve conflicts. It is also her job to ensure that users are cleaning up and taking proper care of the space. She cannot do any of that if folks are overstepping proper procedure.
