ON MEETING DAY:

If your name was dropped from the checklist in error, or has not been added even though you submitted a timely application for addition to the checklist, explain the situation to your town clerk and ask that your name be added to the checklist today.

- 1 The town clerk or presiding officer will investigate the situation and add your name after the completion of the registration form.
- 2 If the clerk or Board of Civil Authority does not add your name, you can appeal the decision to a superior court judge, who will settle the matter. Call the Secretary of State's Office at 1-800-439-VOTE (439-8683) for more information.

If you are a first time voter who submitted your application to the checklist individually by mail, you must provide a valid Vermont photo identification, or a copy of a government issued document with your current address, before you vote for the first time.

If you have physical disabilities, are visually impaired or can't read, you may have assistance from any person of your choice. If any voters you know have disabilities let them know they can have assistance from any person of their choice.

If you know voters who cannot get from the car into the polling place let them know that ballot(s) may be brought to their car by two election officials.

If you have any questions or need assistance while voting, ask your town clerk or any election official for help.

NO PERSON SHALL:

- 1 Vote more than once per election, either in the same town or in different towns.
- 2 Mislead the board of civil authority about your own or another person's true residency or other eligibility to vote.
- 3 Hinder or impede a voter going into or from the polling place.
- 4 Socialize in a manner that could disturb other voters in the polling place.
- 5 Offer bribe, threaten or exercise undue influence to dictate or control the vote of another person.
