- Set the bond amount
 Certain officers and employees must provide a bond conditioned on the faithful performance of their duties. These include road commissioners, collectors of taxes, treasurers, clerks, assistant treasurers when appointed by the Selectboard, and any other officer or employee of the town authorized to receive or disburse town funds. 24. V.S.A. § 832. VLCT PACIF provides coverage to its member municipalities that meets the statutory requirement for bonding but is technically not a bond. **A motion was made by Craig Hammer to set the bond amount at zero, noting that \$500,000.00 is covered by the VLCT policy, seconded by James Weber, all in favor.**

A motion was made by Craig Hammer to appoint any one Selectboard member to sign the payroll and payables warrants in the event of a meeting cancellation for any reason during the next year until annual reorganization in 2023, seconded by James Weber, all in favor.

Hearing of visitors (for concerns not on the agenda)

Seth Boyd would like to get Requests for Proposals advertised for the monument work and retaining wall at Town Hill, he asked for guidance. Gig suggested that Mr. Boyd come in to create a draft for the board to review.

Mr. Boyd also noted that the AED pads are expired, he suggested they be replaced. It was discussed that there should be an AED unit at the highway garage.

Cheryl Rusin asked if the town was interested in having Narcan available in the Municipal Center. The board feels they need more information.

Highway

Review and sign Annual Highway Financial Plan

Mr. Janovsky presented the Annual Highway Financial Plan for the board to review and sign. **A motion was made by James Weber to approve and sign the Annual Highway Financial Plan as written, seconded by Craig Hammer, all in favor.**

Discuss email received about East Road

We received an email from Mr. Delgaizo thanking the board for considering his request to extend the plowing on East Road. His email indicates that he contacted the VT Department of Conservation to explore the possibility of state or federal grants to correct water flow and erosion occurring at East Road. He would like the road improved. The section he is referring is a Class 4 road. If Mr. Delgaizo wishes the road classification to change, there is a process per state statute (19 V.S.A. § 708). The board reviewed and approved a letter written to Mr. Delgaizo explaining the process.

Salt Shed

Mr. Janovsky told the board that part of the roof blew off the salt shed with the recent high winds, it doesn't need to be addressed immediately but the shed should be fixed/replaced before next winter. Mr. Reed noted that Mr. Janovsky should check with the insurance company to see what might be covered.

Discuss Afghan refugees coming into the area

Mr. Weber asked Ms. Hein what is happening and when the refugees are coming. She answered that one hundred Afghan refugees have been accepted in a new program, they have worked for the army before, they are COVID vaccinated and have other vaccines. They have a special visa, so they are eligible for Social Security, Medicare, Welfare and food stamps. The Lion's Club has created a committee to help the new program. They found three potential places that Afghans can rent (one house and two one-bedroom apartments) in Jacksonville.

Affordable housing is an issue but there are many jobs available here in the valley. The state will subsidize their housing for up to 18 months. Eight federal agencies verified these refugees, confirming that they worked for the US government, contractors, or non-profit organizations in Afghanistan. This is Phase 1; family members will likely come in Phase 2.

Mr. Brown questioned if there is a program actively seeking to help Ukrainians. Ms. Hein responded that phase 3 starts March 15th, and that phase will help refugees from other countries.

Mr. Weber questioned if Ms. Hein will be the contact person if questions come to the town. She said there is someone manning their email (dvnewneighbors@gmail.com).

Things we can do: donate furniture; volunteer to move furniture; provide transportation. They do not need clothing now. They need good neighbors and kids to introduce kids.

Approval of Payables Warrant – March 10, 2022

A motion was made by James Weber to approve Payables Warrant #W2238 dated March 10, 2022, seconded by Greg Brown, all in favor.

Approval of Payroll Warrant – March 10, 2022

A motion was made by James Weber to approve Payroll Warrant #W2237 dated March 10, 2022, seconded by Chris Walling, all in favor.

Review and approve Minutes of February 23, 2022

A motion was made by Greg Brown to accept the Minutes of February 23, 2022, as written, seconded by James Weber, all in favor.

Other business

Review and Sign Redetermination Stipulation Today we received a letter from the State Department of Taxes that they reviewed and accepted the proposed changes to equalized property values which brings our COD down from 21.4% to 20.54% for 2021. We may still be required to do a full reappraisal. Gig spoke with NEMRC to get us on their list, they wouldn't be available until 2025. The board reviewed the stipulation, **a motion was made by Greg Brown to appoint Scott M. Reed to sign the Stipulation, seconded by Chris Walling, all in favor.**

Review and sign correspondence One letter was written to Kristine Sweeter to thank her for nearly ten years of service acting as a Windham Regional Commissioner for the town. The second letter was written to Alan Bartlett, Jr. whose Jeep has been parked in the Municipal Center lot for months. The board reviewed and signed both letters.

Adjourn

A motion to adjourn was made by James Weber, seconded by Chris Walling all in favor.

Scott Reed adjourned the meeting at 7:31pm.

Respectfully submitted,
