

# **Town of Whitingham**

## **Parks Committee**

### **MINUTES OF MAY 7, 2022**

The Town Hill Committee had a meeting on Saturday, May 7, 2022 at 11:00 am at Town Hill Park

In attendance: Seth Boyd, Aysha Wahlstrom, Erin Lackey, and Lyndsay Bushey-Hesselbach.

- Stone wall repair/replacement. Three quotes have been submitted to do this work.
- Will plan a workday to install the new playground pieces and do maintenance around Park. Will include Deerfield Valley Property Maintenance for assistance with the larger projects.
- Deerfield Valley Property Maintenance has quoted \$1600 to cut back encroaching growth around perimeter of Park. Will split that between two years to minimize annual cost.
- Will look for quotes on building a safety fence to cover the utility area (propane and electric).
- ASAP, need to purchase light for flagpole- solar.
- Scott Reed will give an estimate on cost to renovate building for more covered open space.
- Will continue to look at ways to upgrade and expand park possibilities.

Respectfully submitted by Aysha Wahlstrom
