## **Parks Committee**

### **MINUTES OF AUGUST 9, 2021**

A meeting of the Parks Committee was held on August 9, 2021, at Town Hill Common.

In attendance: Seth Boyd, Aysha Wahlstrom, Erin Lackey, and Lyndsay Bushey-Hesselbach,

Discuss the recent event and what steps might be taken to avoid something similar happening again

After some discussion we decided to go to the next select board meeting to bring up the events at Town Hill on July 31st and ask that the select board co-write a letter with us explaining our position and the rules of using Town Hill Common.

Respectfully submitted by Aysha Wahlstrom
